

## COVID-19 Temporary State Licenses

AMA is continuously monitoring temporary changes made by state licensing boards in response to COVID-19. See the following table for the latest information, as well as how it is communicated on an AMA Profile.

State Licensing Board	Change(s) Implemented by Board	License Type as Indicated on an AMA Profile
Arkansas	Created new license type of "Emergency Permit Temporary"	Temporary
Arizona DO	Created new license type of "COVID-19 emergency" and new license numbers that end with "T"	Temporary
New Mexico MD	Reinstated license type of "Federal Emergency License"	Temporary
Oklahoma MD	Created new license type of "Critical Need"	Temporary
Rhode Island	Created new license type and new license numbers that begin with "ETL"	Temporary
Utah	Created new license type of "Time Limited Osteopathic Physician"	Temporary
