**Profile Information**

The content of the AMA Physician Assistant Profile is intended to assist with credentialing. The Joint Commission deems the profile a designated equivalent source for PA education and NCCPA certification.

The Profile contains Licensed Data, including both copyrighted material and trade secrets of the American Academy of PAs, Inc.

If any of the data in this Profile is believed to be incorrect, please log in to your account on AMA Profiles Hub, go to the "Profile Manager" tab, find the clinician for whom you think we have inaccurate information and click on the "Report" button in the "Report Discrepancy" column. Enter any of the information that you feel needs to be researched. The AMA will contact the AAPA to determine which data is correct. We will notify you of the outcome of our research. If any changes are made to the Profile, the link in the "Profile Manager" tab will be updated to this clinician so that you can access the new information.

If you have any questions or need additional information about AMA Profiles, please call (800) 665-2882.
